2022 HARC OFFICERS

PRESIDENT: DON VARY, KDØHHN -- V-PRES: DAVE MILAM, KBØRZN

TREASURER: KEN FRANKLIN, KEØKCQ

SECRETARY:

TRUSTEE: CLIFF AHRENS, KØCA

EDITOR: DON VARY, KDØHHN

EDITOR EMERITUS: BONNIE SINCLAIR, WBØWAP

NEXT SCHEDULED MEETING: 2022

JULY 13, 2022

IMPORTANT NOTICE!!

We are now meeting in the conference room at the Hannibal Airport terminal. Take Rt 36 to the Shinn Lane, Hospital exit. Turn right at the end of the ramp. The airport is on the right, about a mile from 36. The driveway for the terminal is the 3rd one for the airport.

MONDAY NIGHT WEEKLY NET CALL LIST – JULY 2022

DON - KDØHHN

SCHEDULED FCC VE TEST DATES FOR YEAR OF 2022

DATES FOR 2022 :

**July 13, 2022
October, 12, 2022**

Registration is requested at least 72 hours before the exam session by contacting the team liaison, Ed Turner at 573-541-9130, or n0wnv.et@gmail.com. If enough VE's are present at the meeting night, any walk ins will be able to test that evening.

The 2020 test fee will be unchanged at \$15.00. It goes to ARRL/VEC. Bring a photo ID (or two non-photo ID's); if currently licensed, bring the original and a photocopy of your valid FCC license; and if you are claiming credit for successful completion of an exam, bring the original and photocopy of any applicable CSCE's.

Exams will take place at 8:00 PM after the regular scheduled HARC meeting.

WALK INS ARE WELCOME.

HARC CLUB DUES:

HARC annual dues are due each January. The dues are very important and are needed to keep repeaters up and running, plus other expenses of the club. The yearly dues fee is \$20.00 per member, & \$5.00 for each additional family member. You can pay at club meetings, or send the money to HARC, P.O. Box 1522 Hannibal Mo, 63401. Thanks!!

**Hannibal Amateur Radio Club
Monthly Meeting Minutes
June 8, 2022**

Call to order:

**The monthly meeting of the Hannibal Amateur Radio by
President Don Vary (KDØHHN) at 7 PM with the following
members and guests present:**

**Ed(NØWNV), Joe(W6JFL), Cliff(KØCA), Al(K9AJC),
Al(N9MAF, Dave(KBØRZN), Robert(KFØIHM) His
grandson(guest), Kevin Jacobson(AD7OI) Tammy
Jacobson(KI7GVT)**

Proposals for Membership

**We had two proposals for membership, Kevin and Tammy
Jacobson. Both born in Hannibal, moved out if state after high
school. Kevin spent 37 years in Phoenix Az, Tammy spent time
in Colorado and Tennessee. They married 8 years ago, and
lived in Phoenix and moved back to Hannibal. Kevin started a
business dealing with avionics and electronics, and has brought
that business back with him. He is located across from**

**Fidlesticks. He was licensed in 2007 and Tammy licensed in
2016 with her first time on the air was a 10 meter contest. She
got licensed because she liked traveling for contest setups. She
loves outdoors and is a rockhound. The operated here in 2017
for the 10 meter contest. He said they made numerous contacts
from the back of their truck and enjoyed it. Kevin was trustee
for local repeaters. A motion was made by Joe(W6JFL) and
seconded by Ed(NØWNV) to accept Kevin and Tammy as
members. The motion carried and they were voted in as
members. Don also asked everyone if you have any changes to**

your info, please get it to him. He is now taking care of the roster for the club.

Minutes of previous meeting:

Since there was no meeting last month, Don asked if anyone had questions or comments about the minutes from the April meeting. Al(N9MAF) had a couple of corrections he had sent to Don for the minutes. Don said he had corrected them in the newsletter. So, with that there were no other corrections/changes and a motion was made by Joe(W6JFL) and seconded by Al(K9AJC) to accept the minutes as read.

The motion carried.

Treasurer's Report:

Ken(KEØKCQ) was not at the meeting, so there was no Treasurer's report to give.

Repeaters:

Al (N9MAF) said as far as he knows there are no problems. He will be doing standing wave checks on them, but is waiting for hotter weather. Kevin asked if our repeaters were VHF or UHF. We replied they are VHF. Al(K9AJC) reported that Quincy has 147.195 up and running on Fusion, tone of 103.5. They have been changing out equipment.

Old Business:

Don brought up Simon (KEØLRS) was given opportunity to get with Treasurer after the April meeting to pay dues. He was given a week after the meeting to do so, and has not made any contact to pay the dues. According to the motion that was made, if the dues were not paid within a week, he was to be dropped from the membership, and if he wished to reapply, he was to have the money for the dues that night.

By-Law proposal: Ed(NØWNV) submitted a By-Law proposal for Article 4 which covers Dues. Currently, it reads that nonpayment of annual dues by March 1 shall result in immediate termination of membership, with no vote or action required. The proposed change moves the termination date to the March meeting of the club. This was the first reading with the motion made by ED(NØWNV) and seconded by Al(N9MAF). The second reading and vote will be at the July meeting.

Field Day- any ideas on where to hold it this year, and do we want to do this year as separate entities and work from home and next year plan to work together. Cliff received a phone call from Jim Funk (N9JF) reporting that the Red Cross has given the Quincy club permission to use the radio room in their facility this year. Jim will be in charge of the event and will be sending out an email about it. Anyone who wants to operate, let him know at N9JF@arrl.net. Joe(W6JFL) asked if this would be regular field day, answer was yes. Don then told all present how we had been operating for the past few years. Discussion on how their radios were set up and how they would be done this year. Discussion then continued about working to see about getting back to the Ambulance district for our base. Joe said that he had talked to some of the people and they had already redone the area and didn't think we would have room. Jody (KEØOAA) said that when we moved out that the coax for the towers was coiled up in the ceiling, so we could run the coax outside. After discussion for locations we talked about the training center on Communications Dr. Question was asked about using training center, this could be looked at. A motion was made by Ed(NØWNV) to look at the New London EMS base for Field day. Seconded by Joe(W6JFL). We will also invite the Quincy club to participate

New Business:

Don (KDØHHN) asked if anyone has any coax that they would like to donate. We had been talking about presentations, He has some info about making improvised antennas. We will see about doing this next month if there is no testing.

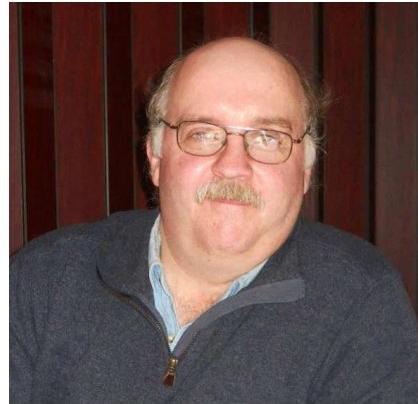

Al(N9MAF) has a group of books he had gotten from Cliff. They are old textbooks, CD's etc. Cliff has donated them to the club. Anyone interested in any of them, pay what you think they are worth to the club. He received many of these when he was director of ARRL, many have not changed and are still valuable.

Adjournment:

With no other business to conduct, a motion was made by Dave(KBØRZN) seconded by Ed(NØWNV) to adjourn. The meeting was adjourned at 7:30PM

FROM THE PRESIDENT'S DESK BY DON VARY KDØHHN

First I would like to welcome our new members, Kevin and Tammy Jacobson to the club. Also if you haven't seen the emails, Field Day is back on. The Quincy club has access to their equipment at the Red Cross and they will be hosting Field Day this year. Next year we will be hosting the event at the Ralls County Ambulance base in New London. One change for this year is that there will be no dinner as there has been in the past. For more info, contact Jim at n9jf@arrl.net. Looks like things are slowly returning to normal, but still be cautious. Everyone stay on the cool side of the door and stay safe.
